Development Strategy

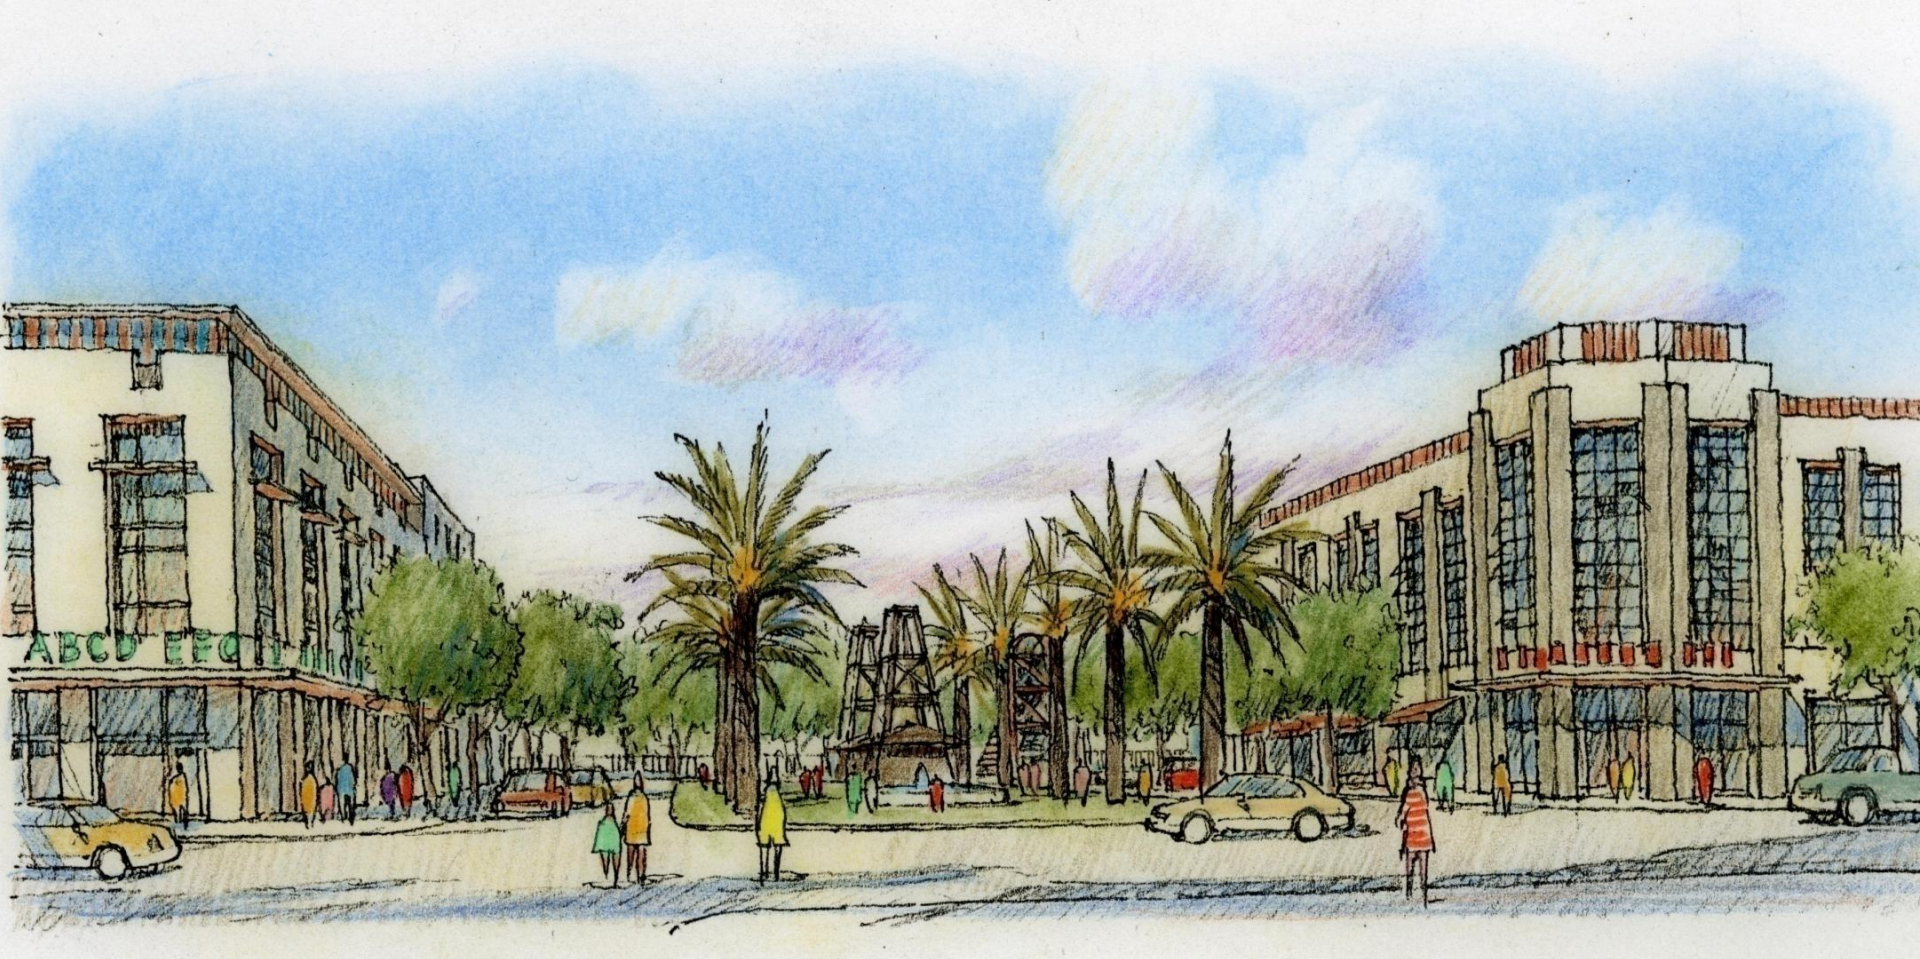

Placita Santa Fe: Restoration/Infill

- Façades and Buildings
- Park-Once system of on-off street

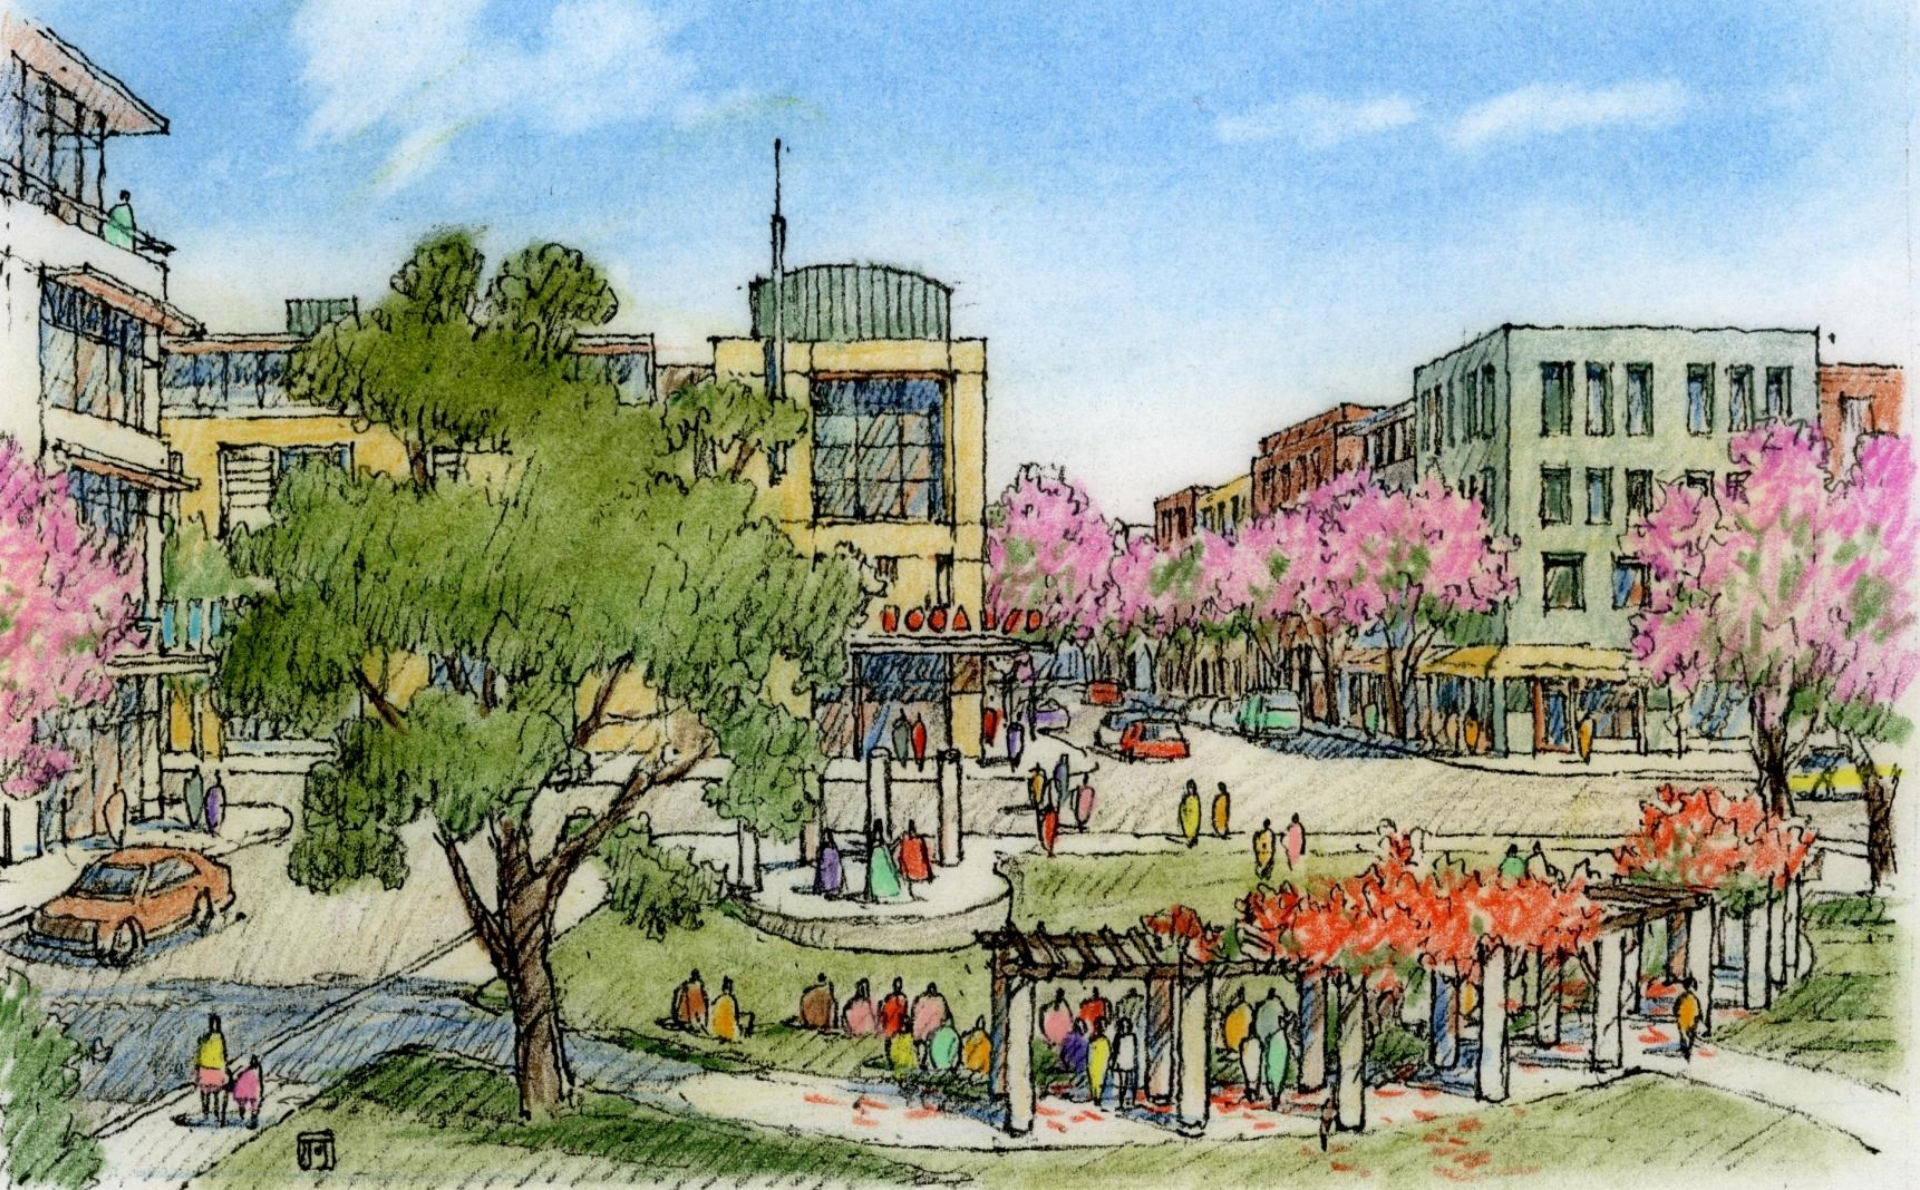

Placita Santa Fe: Market Hall

- Restore corner building
- New Market Hall
- Widened sidewalk/streetscape

Transit-Oriented Development

- Continuity with Placita Santa Fe
- Transit-Oriented Housing
- Retail and Office

Crowther Square

- Open Space
- Housing, Retail and Office

Neighborhood Mixed-Use Street

- Housing over office/retail
- Live-Work

Courtyard Housing

- Townhouses and Flats

Housing

- Flats and Lofts

Part V

TOD KEY DESIGN QUESTIONS

Is parking concealed from the public/private realm?

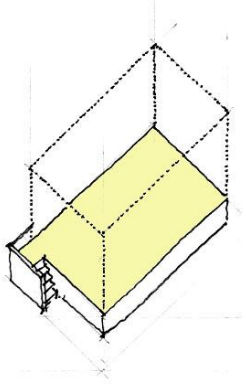

Does blended density promote project diversity
and proper street form?

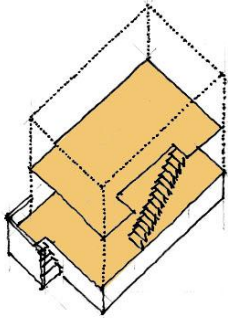

Have a variety of transect-consistent architectural types been considered?

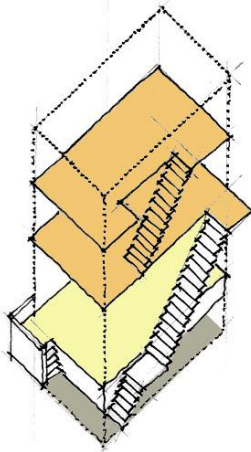

Are a variety of unit types included?

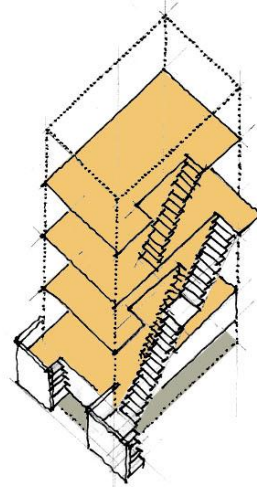

Flat/Loft

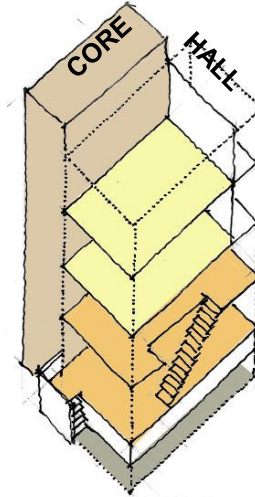

Townhouse

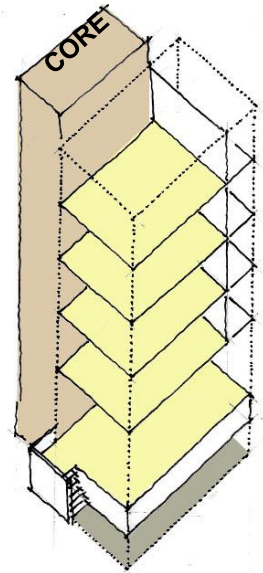

Townhouse over
Flat/Loft

Townhouse over
Townhouse

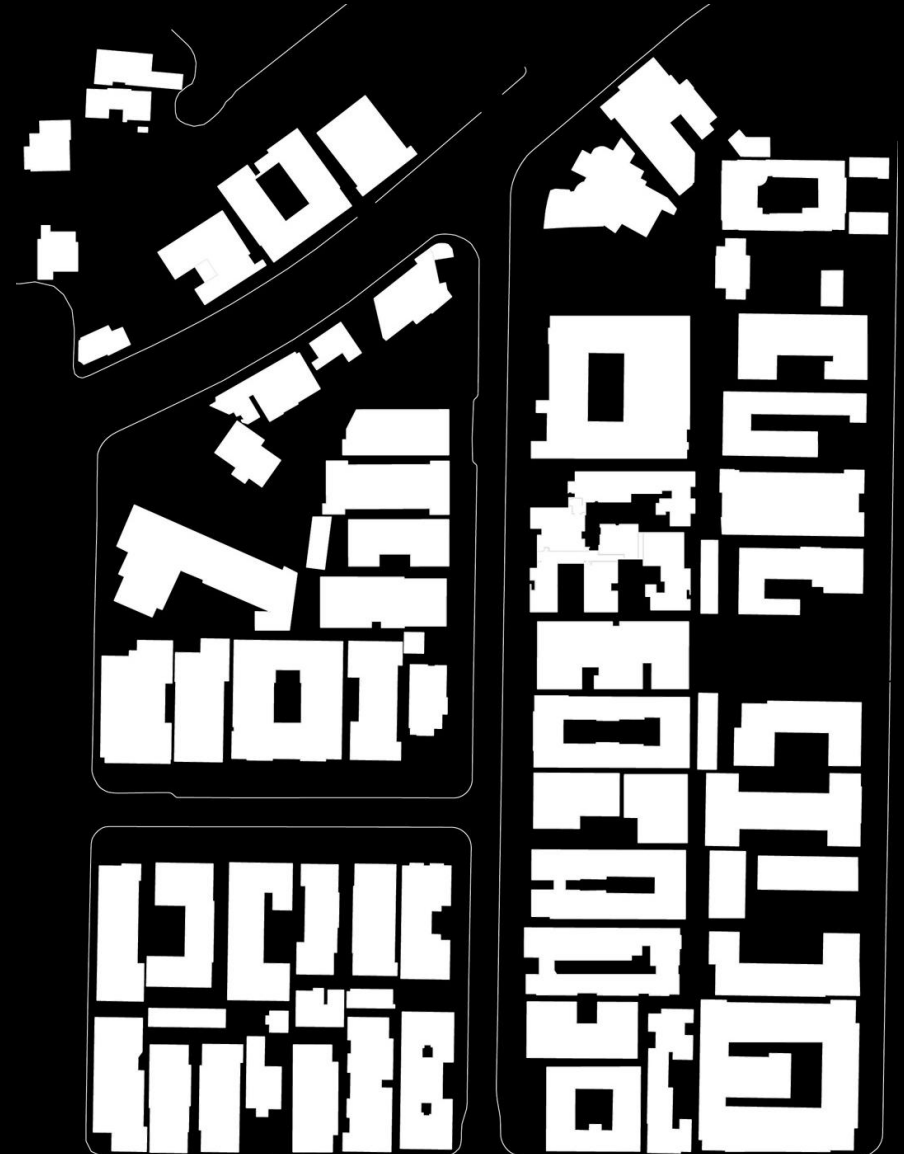

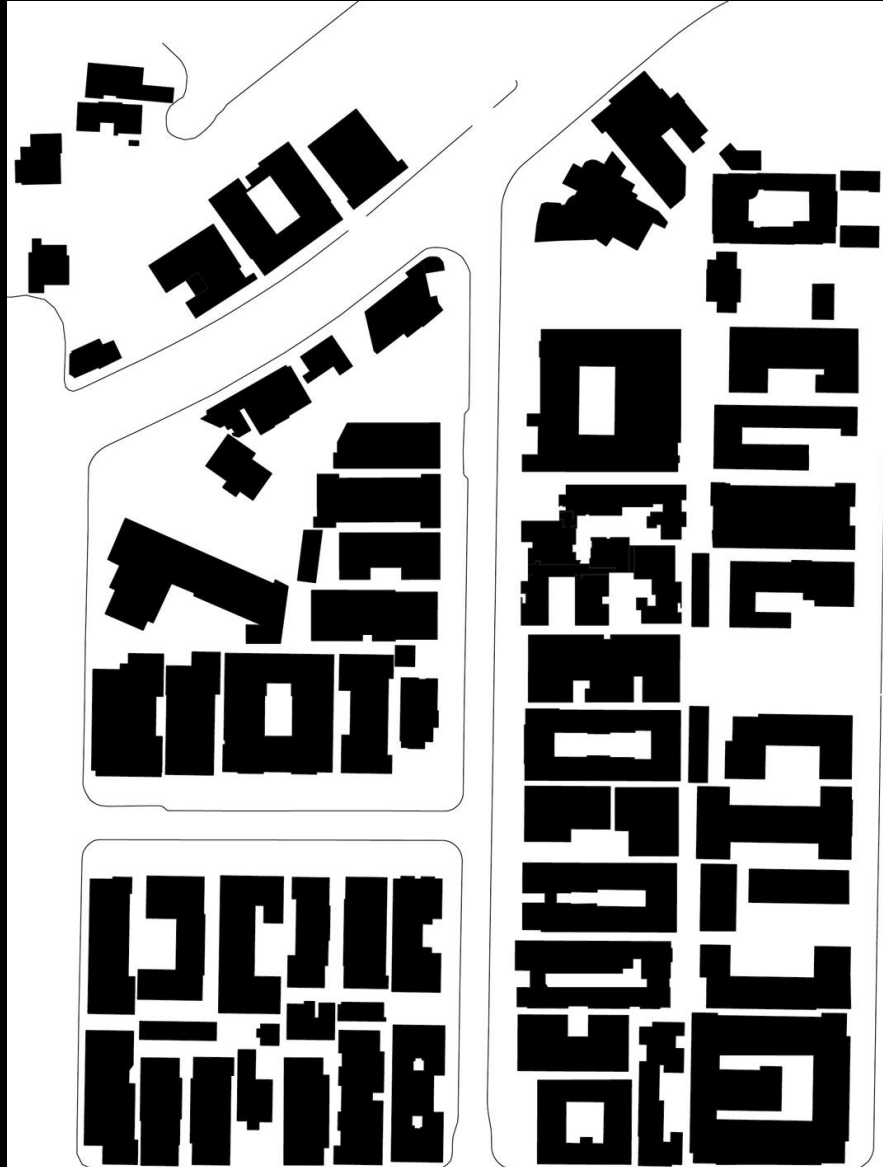

Flats over
Townhouse

Flats over
Flat/Loft

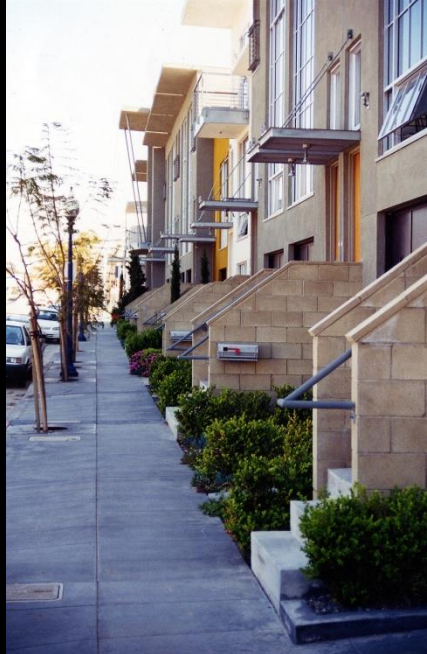

Is there a clear integration of the solid (building) and the void (open space)?

Has the ground floor been activated?

Are building fronts (entries) and backs (services) properly located?

Have industry efficiencies been utilized without being normative?

Has sustainability been considered at the building scale?

Have a multiple building styles or at least a 'kit of parts' been adopted?
